CHARDONNAY

The terroir of Tirol and the French origins of the grapes are highlighted by the gravitational vinification process. Selected and hand-picked from our vineyards, the grapes are vinified with minimal intervention in order to favor the purity and the natural aromas. The Chardonnay offers us a fresh wine, with light citrus aromas and a well-integrated acidity and alcoholic strength.

DESIGNATION

DOP/DOC-CMD Banat – Dealurile Tirolului

VARIETY

Chardonnay 100%

PROVENANCE

Two Chardonnay vineyards in Tirol and the plantations from 2009 and 2016
