## RIESLING

This aromatic white grape variety, with a history dating back many centuries, expresses the terroir of Tirol in a balanced wine of bright yellow color with greenish highlights. It has a typical aroma with hints of citrus, slightly floral, and a high acidity that brings a pleasant freshness in the glass.

### DESIGNATION

DOP/DOC-CMD Banat – Dealurile Tirolului

### VARIETY

Riesling 100%

### PROVENANCE

Two Riesling vineyards in Tirol and the plantations from 2009 and 2016

### HARVESTED

second decade of September

### YIELD / HA & RATIO

8.200 kg/ha = 5.248 litres of wine, 64% must-to-fruit ratio

### VINIFICATION

The grapes from our vineyards were carefully selected and handpicked to be vinified in our four-level gravity fed winery. From the top level, where the grapes come in and down to the underground cellar, where the wine ages in wood barriques, this gentle process helped by gravity, allowed the Riesling to naturally extract its aromas.

### BOTTLED

July

### BOTTLE AGEING

-
